ONTARIO'S LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Ontario Racing Commission passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses.

Horses will undergo an endoscopic examination of the trachea by a veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under supervision of racing officials.

All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.

L Denotes horses treated with Lasix

(L) Denotes horses treated with Lasix today were not so treated for their last start

(L) Denotes horses treated with Lasix for their last but not so treated today

NEW RULES IN EFFECT

As of September 1, 2009
New Rules are in effect on the urging of a racehorse, including additional restrictions on the use of the whip. These new rules show concern for the welfare and control of the horse, and the safety of the participant. For more information, visit the AGCO web site:

Held at racetracks across the province, the Ontario Sires Stakes (OSS)

is a series of races specifically for horses sired by a stallion standing in Ontario. Since 1974 the OSS program has been promoting the breeding of quality Standardbred horses in Ontario and providing economic incentives to breed, buy and race horses in the province.

When you come out to watch the OSS races you are helping to support your local community's breeders, owners, trainers, grooms, vets, blacksmiths and more!

For the complete OSS racing schedule, stats, leader boards and more, visit

The Ontario Sires Stakes Program is administered by Ontario Racing.

Table with 10 columns (Race #, Horses, Odds, Times, etc.) and 10 rows (Race 1-10). Each row contains detailed race information including horse names, jockeys, trainers, and race results.

Harness Racing GLOSSARY OF TERMS

BOXED IN: A horse that is racing on the rail and is surrounded by other horses in front, outside and behind it. A horse that is boxed in is held up and unable to gain a clear passage.

BREAK: To start galloping and lose the natural trotting or pacing rhythm. This occurs more often with trotters than pacers.

CARD: Another term for a program of racing. For example, a person may refer to there being twelve races on the card, which simply means twelve races will be staged on that particular day.

CATCH DRIVER: A driver which does not train his or her own horses and is engaged by other trainers to drive their horses.

CLAIMING RACE: A race where any of the entrants may be claimed (purchased) for a specified amount.

COLORS: The colorful suit (also called "silks") worn by drivers/trainers. Unlike Thoroughbred racing, the drivers/trainers register their own colors and wear them every time they race.

COLT: A male 3 years of age or less.

CONDITIONED RACE: A race where eligibility is based on age, sex, money won, or races won. For example, "3-year-old colts who are non-winners of \$10,000 lifetime or 4 races."

COVER: A horse that races with another horse in front of him is said to race with cover, as the leading horse cuts the wind resistance.

DEAD HEAT: A situation in which the judges cannot separate two or more horses when judging the outcome of a race. This race is declared a tie (Dead Heat).

DISTANCED: A horse that is out of touch with the rest of the field at the end of the race. This is often referred to as "finished distanced".

FIRST-OVER: The first horse to make a move on the leader in a race, moving up on the outside.

FREE LEGGED: A pacer which races without wearing hobbles.

HOME STRETCH: The straight length of the track, nearest the spectators, heading toward the finish line. It is called this because it is the final part of the track a horse travels down on its way 'home' (or the finish line).

HOPPLES: The straps which connect the front and rear legs on the same side of a horse. Most pacers wear hobbles to help balance their stride and maintain a pacing gait. The length of hobbles is adjustable and a trainer registers the length that best suits his or her horse. There are also trotting hobbles that work through a pulley system to help trotters maintain their gait.

INQUIRY: Judging officials may conduct an inquiry as a result of any incident which may have occurred during a race, to determine whether or not certain drivers and/or horses were responsible for the incident.

PACER: Are horses whose legs move in a lateral motion, meaning the two legs on the same side of the body move in unison. For example, both right legs move forward as both left legs are going back.

PARKED: A horse racing on the outside, with at least one horse between it and the inside rail.

PHOTO FINISH: When two horses cross the finish line too closely to identify a winner, officials call for a photograph of the race, taken exactly at the finish line, to help them determine which nose is ahead.

POCKET: A horse in a pocket is unable to obtain a clear path because it has other horses situated in front, behind and to the side of it.

POST TIME: Start of the race.

QUALIFIER: A race in which a horse must contest a mile below an established time standard to prove itself capable of competing in pari-mutuel races.

STANDARD BRED: The breed of horse which competes in harness races.

SULKY: Also known as the cart or racebike, the sulky is attached to the harness and carries the driver.

TOTE BOARD: An electronic board, usually in the infield of a track, which posts the odds, amount of money bet, results of a race and the wagering pay-offs.

TROTTER: Horses whose legs on the opposite side of the body move at the same time. For example, the right front and left rear move forward as the left front and right rear move back.

FLAMBORO DOWNS

GENERAL RULES & WAGERING REGULATIONS

GENERAL OPERATIONS

Supervision of the pari-mutuel betting and drug control services is provided by the Canadian Pari-Mutuel Agency (CPMA), a division of Agriculture Canada, the Honourable Lawrence MacAulay M.P. All pools are calculated and distributed in accordance with these Regulations. All tickets should be held until the result of the race is declared official. No minor shall purchase or cash a pari-mutuel ticket. Approximate odds represent the probable pay-out price of the win pool at the time they are posted and have no bearing on the pay-out price for any other pool. Where approximate odds for any horse are posted as "1-9", the pay-out price based on a \$2 bet on the win pool may be as low as \$2.10. All tickets should be kept until the result of the race is declared official. No ruling made by the Judges or the Alcohol And Gaming Commission of Ontario (AGCO) with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official shall have any bearing on the pay-out prices or distribution of pari-mutuel pools. In the case of foreign separate pool betting, the rules of racing are those of the governing body that regulates the race.

In the event of a possible complaint of foul being lodged by those in authority to do so the word **INQUIRY** or the word **OBJECTION** will flash on the Result and Mutuel Board and an announcement made by the public address system.

Book making or betting other than pari-mutuel betting is strictly prohibited.

All tickets should be held until the result of the race is declared official and prices are posted.

Rule 7.15: No association shall allow a person under 18 years of age to purchase or cash a ticket. For the purpose of this rule, a "ticket" is defined as a receipt or voucher that is issued by an association for one or more bets on a race or races. The association shall ensure that signs are clearly posted in all areas, or in application forms, where tickets are purchased or cashed, advising the public of the age restriction.

A claim that a wrong ticket has been issued must be made before the customer leaves the teller's window.

A claim of receiving an incorrect payment or incorrect change must be made at the Mutuel office of the association within twenty-four hours of buying or cashing a valid ticket or voucher.

No ruling made by the Stewards/Judges or the Alcohol and Gaming Commission of Ontario with regard to distribution of purse money or the placing of horses in the order of finish, after the race has been declared official, shall have any bearing on the pay-out prices or distribution of pari-mutuel pools.

In the unlikely event prices are posted on the incorrect order of finish, Federal Regulations require associations MUST stop paying those prices as soon as the error is discovered. The correct prices will then be calculated and paid.

In the unlikely event that bets cannot be combined into a host track's pools before the end of a race, Federal Regulations require that such bets MUST be refunded. Refunding bets at some sites can affect odds and payouts at the remaining sites.

Photo Finish pictures are shown on the closed-circuit television system.

Customers are reminded that mutuel clerks are responsible for all shortages. When making a wager customers must present funds at the time of purchase to cover the wagers requested.

If less than six interests qualify to start in a race, the management shall be permitted to prohibit show wagering on that race. If less than five interests qualify to start in a race, the management shall be permitted to prohibit place wagering on that race.

The management may prohibit wagering on any particular horse or entry in any race. Horses excluded from the betting shall remain excluded during the day or race in which they are scheduled to start.

The race meeting being conducted with the approval of the Alcohol and Gaming Commission of Ontario and the Rules of Racing of the Alcohol and Gaming Commission of Ontario apply to the conduct of all races and the racing association conducting this meeting has been licensed by the Alcohol and Gaming Commission of Ontario.

The provided photo finish and video patrol is supervised by the Alcohol and Gaming Commission of Ontario.

While every effort is made to provide accurate information in the program, neither First Turn Printing or Flamboro Downs assumes liability to anyone for errors or omissions.

ENTRIES AND MUTUEL FIELDS

"Entry" means two or more horses in the same race which, for the purposes of pari-mutuel betting, are coupled or considered as the same betting interest. The most common reason for the coupling of horses in an Entry is the fact that they are owned by the same person.

"Mutuel Field" means two or more horses in the same race which, for the purposes of pari-mutuel betting, are coupled because the number of horses in the race exceeds the number which can be handled separately by the pari-mutuel system.

Subject to the regulations, a bet on one horse of an Entry of Mutuel Field shall be considered a bet on all horses in that Entry or Mutuel Field.

DAILY DOUBLE BETTING (INCLUDING LATE DOUBLE)

The Daily Double is a betting transaction in which the purchaser of a ticket undertakes to select the official winners of each of the two races specified for the Daily Double. Tickets not selecting the winner of the first half of the Daily Double and all tickets in the second half of the Daily Double not coupled with the declared official winner of the first half of the Daily Double are not winners and are not refunded no matter what circumstances affect the running of the second half of the Daily Double. The Daily Double is operated as an entirely separate pool and is not affected by wagering in other pools operated on the Daily Double races.

Should a horse or horses (not coupled with a starter) be excused from starting in the second race of the Daily Double after the first race of the Daily Double has been run, holders of all Daily Double tickets on such horses, coupled with the winner of the first Daily Double race, shall participate in the Consolation Double pool.

EXACTA BETTING

The Exacta is a betting transaction in which a purchaser of a ticket undertakes to select the first two horses representing different betting interests, in the exact order of finish, in the race on which the feature is operated. Exacta pools on races that have an entry (1 and 1A and/or 2 and 2B) or mutuel field (14f - 15f...) will NOT offer a wager combining both halves of the same betting interest (i.e. 1-1, 2-2, field-field). If the same betting interests finish first and second, the exacta pool pay-out will be on those horses finishing first and third.

TRIFECTA BETTING

The Trifecta bet is a betting transaction in which a purchaser of a ticket undertakes to select the first three horses representing different betting interests, to finish in the exact order of finish in the race on which the feature is operated.

SUPERFECTA BETTING

A Superfecta is a betting transaction in which the purchaser of a ticket undertakes to select the first four horses representing different betting interests, to finish in the exact official order of finish in the race on which the pool is operated.

SUPER HI 5 BETTING

The Super Hi-5 wager is a betting transaction in which the purchaser of a ticket undertakes to select the first five horses representing different betting interests to finish, the exact official order of finish, in the race on which the feature is operated. If there are no winning tickets with the exact order of finish of the first 5 runners, 100% of the current day's pool will be carried over into the next Super Hi 5 feature.

PICK 4 AND PICK 3 BETTING

The Pick 4 and Pick 3 features are betting transactions in which the purchaser of a ticket undertakes to select the winner of four or three successive races specified for the Pick 4 or Pick 3 respectively.

Winning tickets for the Pick 4 or Pick 3 are determined in the following sequence: (a) the winners of all legs; (b) most winners; (c) most second place finishers or (d) sequentially thereafter.

PICK 4 AND PICK 3 SCRATCHES

In the event a Pick 4 or Pick 3 ticket designates as a selection a horse which is scratched, excused or determined by the Stewards/Judges to be non-starter in any of the races comprising the Pick 4 or Pick 3, the favourite, as evidenced by the amount wagered in the win pool at the time of the start of the race in which the scratch(es) occurred, will be substituted for the non-starting selection. In the event that the money bet in the win pool for (2) two or more favourites is identical, the selection with in the lowest program number shall be substituted for the non-starting selection.

However, if a scratch occurs in any leg of the Pick 4 or Pick 3 pools before the pool is closed, a ticket including the scratched horse may be cancelled.

REFUNDS

Subject to the Regulations, all monies in all pools on a race are refunded in the event that the race is cancelled, declared off or declared no contest, and all monies bet on a horse are refunded if the horse is a late scratch or does not receive a fair start. These refunds will be communicated to the public through various means such as betting terminals, video display and changes boards.

The Double, Pick 3 and Pick 4 pools are not refunded after the first leg has been declared official. The following pools will be refunded if the following occur:

*Pick 3: at least 2 legs are declared no contest or cancel. (Effective Jan 1, 2012)

*Pick 4: at least 3 legs are declared no contest or cancel. (Effective Jan 1, 2012)

Where a horse that is part of an Entry is a late scratch or does not receive a fair start and at least one of the horses of that Entry receives a fair start in the race, all tickets purchased on the Entry remain valid and the purchase price of any such ticket shall not be refunded.

CANCELLATION OF BETS

The Canadian Pari-Mutuel Regulations will permit cancellation of bets, up until stop betting, for the following reasons:

- a wrong ticket (even after you have left the mutuel or self service window);

- a change in a race surface, race distance, track condition, jockey or driver;

- a scratch of any entry.

Self Service Machine tickets for cancellation must be presented to a mutuel teller.

Flamboro Downs reserves the right to refuse cancellation of a bet if there is reasonable grounds to believe that the cancellation of a bet may effect negatively on the integrity of the pool or display of pari-mutuel data.

All win bets of \$100 or more will require the full name and address of the ticket holder legibly printed on the back of the ticket as well as I.D. in order to be cancelled.

All cancellations will be closely monitored. The Canadian Pari-Mutuel agency may impose further cancellation restrictions.

CANCELLATION OF RACES

Please note that five races constitute a complete race card for any track. If for any reason five races are not run an exchange of programs will be made. Programs may be exchanged at the time of the cancellation or the next time you attend (within thirty days). No cash refund will be given.

PHOTO FINISH

When PHOTO appears on the Result Board there will be a short delay in posting results to allow the judges to inspect the photographic plate of the finish. Photographs of all photo finishes are displayed on the televisions.

FAIR START

If a horse has reached the Fair Start Pole by the time the mobile gate has reached the Starting Pole, that horse is deemed to have had a fair start. It makes no difference whether or not the horse is on or off stride at that precise moment. Under current policy and regulations, which are designed to be as fair as possible to all bettors on all starters, there is no Recall (a repeat of the entire starting procedure) when a horse does not reach the Fair Start Pole before the gate reaches the Starting Pole. Monies bet on such a horse are refunded in accordance with the regulations concerning refunds.

ASSOCIATION PERCENTAGE, AND TAXATION/LEVY

Flamboro Downs and other simulcast associations in Ontario deduct and retain the following percentages from wagers placed at their own licensed sites which are then shared between the horseplayer, host and simulcast associations and the Ontario Racing Commission.

Flamboro Downs: Pick 4 & Jackpot Hi 5 - 11.70%. All other wagers 21.4%.

Ontario Provincial Levy: 2.0% on all pools, except 4.0% on Triactor pools.

The Ontario Provincial Government retains 0.5% on all bets placed in Ontario.

The Canadian Government through a revolving fund cost recovery basis retains 0.8% on all wagers placed in Canada for provision of drug control, and audit services.

BREAKING RULE

When a horse breaks from its gait in a race the driver shall: (a) take the horse to the outside of other horses where clearance exists and; (b) properly attempt to pull the horse to its gait; (c) lose ground while on the break. If there has been no violation of (a), (b) or (c) above, the horse shall not be set back unless a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish, however, notwithstanding the foregoing, if interference caused by another driver(s) or horse(s) has caused the horse to be on a break at the finish, the judges may, in their discretion determine not to set the horse back even if a contending horse on its gait is lapped on the hind quarter of the breaking horse at the finish. The judges may set any horse back one or more places if, in their judgment, any of the above violations have been committed, or if the horse goes on an extended break, and the driver may be penalized.

MINIMUM AGE REQUIREMENT (RULE 7.15)

No association shall allow a person under 18 years of age to purchase or cash a ticket. For the purposes of this rule, a "ticket" is defined as a receipt or voucher that is issued by an association for one or more bets on a race or races. The association shall ensure that signs are clearly posted in all areas, or in application forms, where tickets are purchased or cashed, advising the public of the age restriction.

CLAIMS OF WRONG TICKETS ISSUED AND PAYMENT OF WAGERS

Any claim that a wrong ticket has been issued must be made before leaving the Mutuel Window. No claims will be considered thereafter, and no claim shall be considered for tickets thrown away, lost, changed, destroyed or mutilated beyond recognition. Payment of wagers will be made only on presentation of valid pari-mutuel tickets.

FEDERAL REGULATIONS AMENDMENT

In the unlikely event that prices are posted which are based on an incorrect official order of finish, upon discovery and/or official notification of the error, associations must immediately stop paying the erroneous prices. The correct price will subsequently be calculated and paid, including a correction of all account-based wagers. This regulatory change reflects the existing standards in the United States.

PLEASE NOTE: Although it is unlikely to occur, for bets that cannot be combined into a host track's pools before the end of a race, Federal Regulations require that such bets must be refunded. Refunding bets at some sites may affect odds and payouts at other locations.

ONTARIO'S LASIX PROGRAM

After careful study and consultation with Ontario Horsemen's groups, racetrack operators and veterinarians, Agriculture Canada and the Ontario Racing Commission passed legislation allowing the controlled (or supervised) administration of furosemide, more commonly called "Lasix". "Lasix" is used to alleviate the symptoms of exercise induced pulmonary hemorrhaging in racing horses.

Horses will undergo an endoscopic examination of the trachea by a veterinarian before being allowed on the medication list. Once qualified, horses will be treated with "Lasix" within four hours plus or minus 15 minutes of a scheduled race in a secure retention area under supervision of racing officials. All horses on "Lasix" must remain on the program for a minimum of 100 days while racing in this jurisdiction.
