Most Probable Winner
Race 4 – 2 BEAST MODE

Good Luck With
Your Wagering Selections

Race 1 Selections 1-5-2-3-6

1 EAST BOUND EDDIE did a solid job in this class last race, firing to the front from post 5 and sticking around for a 2nd. Maybe today from pp1, he can go all the way on top.
5 SPORTING LIFE was real good in back to back starts before moving up to this class for his last start and finishing 3rd. I think he can improve today and be a top two.
2 E L DARTSMYBOY has been off since early Dec and may need a start, but this dash seems wide open after my first 2.

Race 6 Selections 6-3-7-2-8

6 REBEL VOYAGER is looking to win for a 5th consecutive start. He now has 7 wins in 11 races this year. The barn sports a rather nifty .390 and this horse is not moving up.
3 LOCK N RELOAD moves up off a rather handy looking win, a victory margin of 3 lengths. He has raced well of late.
7 SPORTSRANGER moves up off a wide margin win, and might handle the class and post for a minor share.
B Davis Jr. choice of 3 or 5.

Race 2 Selections 4-7-1-2-3

4 NOMATTERWHEN raced better last race and gets the nod here in a field in which I think she compares well. The barn also is a plus barn. Note this mare had a nice year last year, earning almost \$1,000 per start.
7 MOON LAKE has some back class and overall compares well enough in this field to be a play in this class.
1 TWIN B J J won in this class recently and is a must use on the top three today, considering the inside post.

Race 7 Selections 8-1-5-6-3

8 CASIMIR PUCKER UP will get my top not here today, despite my concern about the post position. He may not fit the post well, but he is tough to bet against in this field.
1 YOU MACH ME CRAZY makes a 3rd start off a layoff and was solid last time out.
5 JAMES AND MORGAN did not do well last race at Mohawk, but was going real well in may starts before that.
B McClure choice of 4 or 6.

Race 3 Selections 5-3-4-6

5 NATURAL GRACE gets a slight nod here over a #3 that is likely to attract attention. This mare has made the top two at high % since Jan of last year.
3 AMIGO LOCO has won only once in 11 races this year, but has been a factor in many of his recent starts. This vet should have a shot to be a top two finisher here.
4 PEELING OUT is well off form, but moves down. Rebound!
R Shepherd choice of 2 or 5.

Race 8 Selections 5-2-4-1-3

5 MAC RAIDER had much more fire last time out at Mohawk and now drops in class. He looks well positioned to score his 3rd win of the year.
2 SENIOR MARKET shows good speed racing on the big track and is one that has been good here in the past against much tougher. This class gives him a huge chance to win.
4 MISTER X drops well down for this race and can contend.
T Cullen choice of 5 or 6.

Race 4 Selections 2-1-9-7-4

2 BEAST MODE won 7 times last year in 20 starts. He now makes his season's debut and at a level that should give a strong chance to come out on top.
1 WHATASHOWINONTARIO has not been putting on a show of late, but might today with class drop and inside post advantage.
9 ACEFORTYFOURTALON seems like a reasonably play here for a minor share. Note was 3rd in this class last time out.

Race 9 Selections 2-1-4-7-3

2 BALI did not fare well from a poor post against tougher last race, but his previous form makes him a win pick here today from pp2.
1 LETS WAIT AND SEE crushed a lesser field here two races ago, but hen to a class above this one and only managed a 4th. I think he compares well in this spot.
4 WIN ONE SOON had a number of good races in a row before a tough outing here last time out.

Race 5 Selections 3-1-4-5-2

3 JUNIOR J makes his debut and shows some speed in his qualifier. I like the 28-4 final quarter to finish out a solid mile. This colt could like this spot for his career start.
1 BETTOR JIN has yet to make the top three in 4 career starts, but he is coming off a reasonably close 4th. Pp1 can help here as well.
4 MONEY TO BLOW shows enough overall speed to be a consideration here in his 2nd career start.

Race 10 Selections 3-9-4-5-2

3 BLUEBIRD D TRAIN had fallen off form before scoring a 3rd last time out. He moves down in class for this race and could really like this level today.
9 TUSCANS MEMORY should have a solid shot at winning and grabbing his 3rd straight victory. Strong driver/trainer combo here.
4 WINDSONG LEKEOBNAV went a long way on the lead last race and can be dangerous here today.
