Most Probable Winner  
Race 5 – 1 MATTS TUITION

Good Luck With  
Your Wagering Selections

## Race 1 Selections 5-4-2-8

**5 ELEGANT VINTAGE** has been bringing it every start and now drops in class. I think this is a good spot for her score a win for trainer J. Pereira.

**4 GILLETLE** has yet to win this year and has had 30 tries. She raced a lot better last race and can be played here for a top three off that good last start.

**2 FIRST KISS** has not had much post luck of late, but she did race well last race and could be a top two today.

## Race 2 Selections 1-4-6-2

**1 WINDSONG NATALIE** raced well in this class last race, and that was the trailer post. I think with the inside advantage, she may score her 3<sup>rd</sup> win of the year.

**4 LISSIE BORDEN** turned things around last race with a 2<sup>nd</sup> place finish. She has a good top two record this year.

**6 SOUTHERN HEART** does not have a win yet in her career, but shows enough to be a player for a share.

**T Moore choice of 2 or 6 – C Kelly 4 or 5.**

## Race 3 Selections 3-1-9-4

**3 BIG LIS** is coming of a “big” win here last race, by 7 lengths. She now has 7 wins in 15 races this year. She works for a high % barn and is back in same class, and is looking for a 3<sup>rd</sup> straight win at this level.

**1 MACH MAGIC** had a number of good races here before a tough last start. That one was from post 7.

**9 TOP ROYAL** looks like a must use top three.

**C Kelly choice of 3 or 7.**

## Race 4 Selections 5-4-2-8

**5 EL TORRERO** has been racing well for a while now and the barn sports a big % UTR. I think overall this guy is best of this field.

**4 PRO PLAY** brings excellent form into this race and should be considered a main threat to take down my top pick. He came close to winning last race.

**2 DIAL A WIN** is a win shy type that has many good races this year and has a nice 12 of 17 top three this year.

## Race 5 Selections 1-2-5-8

**1 MATTS TUITION** stands out here in this one. He raced quite well last race, despite leaving from post 7, and the barn is on a big roll right now. The post should help.

**2 COLD SHADOW** moves up off a real fine performance and may well handle working back up to this class.

**5 RACE ME VILLA** drops further in class for this race and seem likely to have a shot at bouncing back.

**J Harris choice of 2 or 8.**

## Race 6 Selections 5-2-8-3

**5 THE CAMEL EXPRESS** was not good last race, but that was against much tougher. He beat a class above this one only two races ago.

**2 OK JEWEL** gets the best post she has seen in a while and did improve last race. She works for a top barn and has been a decent earner this year.

**8 REAL KITS** works for a top barn and drops in class.

**P Mackenzie choice of 4 or 5.**

## Race 7 Selections 3-8-1-9-2

**3 CHARMBRO ORBIT** crushed this class last race and now has 2 wins a 3<sup>rd</sup> in his last 4 races. I give him the edge here, but I very mindful that #8 can overcome the post.

**8 JACKSON KILLEAN** can't draw a good post, but it has not mattered much. He beat this post last race for his 8<sup>th</sup> win of the year. He has tremendous gate speed.

**1 JOLTED** was a ton better last race. He gets another favourable post and can be a top three again.

## Race 8 Selections 1-7-3-2

**1 REAL WICKED** is on a big roll right now and gets the best post. He is helped by the poor draw of my next choice here as well.

**7 N EXPENSE** almost beat this class two races ago, but was not great last year. The post hurts, but he may rebound.

**3 TRIDENT SEELSTER** drops and is capable of being a lot better today.

**R Shep'd choice of 2 or 8 – A Byron 3 or 6 – N Stew 5 or 9.**

## Race 9 Selections 2-3-9-4

**2 FALCON JUSTICE** drops a level today and that after finishing 3<sup>rd</sup> here last race. I think he is the one to beat here in this bottom level.

**3 CRAVEN THE BEACH** dropped to this class last race and was good until the top of the stretch.

**9 STIR AND SERVE** drops to the bottom class, but is well off form.

**R Shepherd choice of 1 or 2.**

## Race 10 Selections 7-2-8-4-3

**7 SENOR GRANDE** has won 3 of his last 5 races and 10 times this year. Note his nice mile at Wdb last race, pacing in 1:52-1 to win handily. He is the one to beat.

**2 WINDSONG LORD** has big gate speed and a much better post than my top pick. He should be in the hunt.

**8 AVATARTIST** had drawn poorly, but crushed a lesser class last race, for his 2<sup>nd</sup> win in a row, and that was from post 8.

**J Harris choice of 2 or 4.**
