Most Probable Winner Race 5 – 3 HEX	Good Luck With Your Wagering Selections
<p><u>Race 1 Selections 5-9-3-2</u> <b>5 ZAHFIRE</b> will get my top call in this race, but this one is a tough call. There is little in the way of form with this field, but this more works from a high % barn and has been okay at times. <b>9 FORTE</b> dropped to this level last race, but did not take advantage. Maybe he will today. <b>3 PEACE KEEPER</b> has speed but needs to stay flat. <b>B McClure choice of 5, 8 or 9.</b></p>	<p><u>Race 6 Selections 2-7-6-5</u> <b>2 EMMALULU</b> has won 3 of her last 4 races and can be especially good when making the early lead. From pp2 today, I give her a good shot at another win. <b>7 POLLAR HALL</b> was good in this class in each of his last two, but now has a poor post. Still, I give him a good shot. <b>6 SOUTH WIN BAX</b> has bene only a fringe player lately, but overall I think she is a top three with this group. <b>S Young choice of 3 or 4.</b></p>
<p><u>Race 2 Selections 3-2-6-9</u> <b>3 ASA ONAMISSION</b> won here back near the end of September and overall shows enough to be a slight choice here over a couple others that compare closely. <b>2 MONI JUSTICE</b> scored a solid 3<sup>rd</sup> at Wdb last race and should contend with this group. <b>6 SKYDECK</b> should one again be a factor here at this level. Note she has a good speed mark taken this year at Wdb. <b>B McClure choice of 7 or 9.</b></p>	<p><u>Race 7 Selections 5-2-8-6-3</u> <b>5 JACK OF CLUBS</b> is well off from right now, but is making a huge class drop for this race. I think he has enough to be a big factor at this level. <b>2 MACH ATTACK</b> has good gate speed and should be able to use it well here and be a player for the Ex ticket. <b>8 SCINTILLATOR</b> has made the Tri in 3 of his last 4, but the post sure makes it much tougher. <b>S Hudon choice of 1, 3 or 7 – P Mackenzie 6 or 8.</b></p>
<p><u>Race 3 Selections 2-5-7-1</u> <b>2 WARRAWEE SPEEDY</b> beat this class two races ago, and it was a strong front end effort from a good post. I think we may see a repeat of that line here today. <b>5 LUCKY FORTUNE</b> was able to win back to back races here in October and should be capable of a bounce back effort. <b>7 CASSEA</b> has been reasonably good for a while now and may overcome the post for a share. <b>Travis Henry choice of 3 or 9.</b></p>	<p><u>Race 8 Selections 1-3-4-9</u> <b>1 SILVERSMITH</b> gets a good post, after a couple of poor ones. He shows the form and speed to be a big player here today from the inside. <b>3 SPORTING LIFE</b> is having a real fine year and of late is right on top of him game. He may beat my top choice in this race. <b>4 HOME MATTERS</b> won at Wdb only two races ago and could really like this spot.</p>
<p><u>Race 4 Selections 5-6-1-2</u> <b>5 TIKI TAKI</b> beat this class last start and looks like here to have a solid shot at a repeat. Note he works for a high % barn and has faced tougher recently. <b>6 DA MIRACLE</b> has won 5 times this year, which is better than any in this field. She has to be considered a major player in this race. <b>1 MASSMADE</b> can rebound if she stays flat. <b>B McClure choice 5 or 6.</b></p>	<p><u>Race 9 Selections 2-1-7-3</u> <b>2 CHARMBRO BLITZ</b> beat a similar class at London two races ago and should rebound well today with a favourable post. He did not enjoy racing from off the pace last race. <b>1 MACHCELLERATOR</b> beat this class last race and gets the inside advantage. I think it is a close call between 1 and 2. <b>7 SOUTHWIND MONTY</b> really hung in there last race despite a tough trip. He has raced well of late, and can overcome the post and contend.</p>
<p><u>Race 5 Selections 3-5-1-7</u> <b>3 HEX</b> made a first start for trainer J. Stewart last time out and was better. He may build on that one and win today. Also, take note that she was a strong earner last year. <b>5 GOSSIP MODEL</b> has not been consistent, but the class drop here could give her a solid shot at a top two. <b>1 THRIFT SHOP</b> is well off from, but maybe the combo of the drop and best post and give her a Tri shot. <b>J Ryan choice of 2 or 3.</b></p>	<p><u>Race 10 Selections 6-3-7-1-5</u> <b>6 PETITE COURAGEUSE</b> has lots of back class and now makes a 2<sup>nd</sup> start here after coming back from the Maritimes. He was good last race, and could improve here. <b>3 JAMES AND MORGAN</b> does have 3 top threes in her last 5 races and a better post than her last start. I think she could have a big bounce back here today. <b>7 ART OF THE DEAL</b> scored her first win of the year here last start, but the post may prevent a repeat.</p>
