RACE ANALYSIS

Saturday, March 16, 2019

Most Probable Winner  
Race 5 – 1 OSEEMYLUCKYBO

Good Luck With  
Your Wagering Selections

## Race 1 Selections 3-1-8-7

**3 PERSISTENT XAMPLE** has yet to win in 8 starts, but made the top three in each of her last three and missed the win by only ½ a length last time out. This might be the time she breaks through for the top prize.

**1 WARRAWEE ULLA** has raced well here in back to back races. She has the post advantage over some main rivals.

**8 HAKIMA** shows good closing speed in her two stars so far and might overcome the post with the class drop.

## Race 2 Selections 3-4-5-1

**3 THRILLONABEACH** is well off form and there are some nice ones in this race, but I am banking on the sizeable class drop getting her going. She has won 3 of 6 races this year, including a score only 3 starts ago.

**4 CASINO CLASSIC** is a good mare that makes 2<sup>nd</sup> start off a layoff and beat the Pref 3 class in her 019 debut.

**5 PHOOS GIRL** has been real good this year, but last race was uncharacteristically poor. Rebound!

## Race 3 Selections 4-1-2-7

**4 BEDHEAD** has gate and some recent form, but has yet to win in 7 races. He works for a top barn and gets a very slight nod in with this group.

**1 SHADOWOFTHENORTH** has not raced since last August at GeoD but qualified well and gets the inside post.

**2 BETTOR BE DUKE** has consistently been a fringe player lately and can be a top three today I believe.

**Br MacDonald choice of 1 or 9.**

## Race 4 Selections 2-6-1-5

**2 TITANIUM SEELSTER** moves up off a win. He missed almost 2 months before that last start and could be better today, despite the step up in class. He has gate speed and a favourable post as well.

**6 ARVIKA** has suffered misfortune lately with a broken equipment last race and a break 2 starts ago. She has some ability and could be a factor with some luck and a flat line.

**1 THE GREAT FARINI** finished his qualifier strongly.

## Race 5 Selections 1-7-5-4

**1 OSEEMYLUCKYBO** comes into this race in solid form and has the gate speed to be a big player from pp1. He was 2<sup>nd</sup> last start, and the one that beat him is not in this race.

**7 IN THE NIGHT** is going real well so far this year, but moves up and has a poor post. Still, she has looked solid.

**5 COLD CREEK LACEY** moves up off a win and should have a shot at the top three.

**S Lacaille choice of 2 or 3.**

## Race 6 Selections 5-2-1-4

**5 HOWMACFIESTY** now has things turned around after being off form. Her last two races were very good and I like her to be a strong player again today.

**2 FINA PATINA** has not raced since last July, but certainly shows some major speed. She could fit well in this class.

**1 CHOOSE MY JET** shows recent form and has enough gate speed to get a trip from the inside post.

**S Coulter choice of 3 or 4.**

## Race 7 Selections 5-2-3-8-1

**5 SWEET CITY GIRL** drops from Mohawk and was solid in her last two on the bigger track. Her overall speed compares well in this spot.

**2 SIN FOR CREDIT** can leave real well and almost wired this class last time out. She shows real fine form.

**3 ARYA STARK** has lacked consistency lately, but overall should fit well at this level.

**C Kelly choice of 2 or 7.**

## Race 8 Selections 5-1-6-3

**5 SPICEY VICTOR** has won 23 times since Jan 2018 and is back with trainer Steve Coulter. This veteran dominated at London last race and might again today.

**1 GOTAGETMESOMEOFTHAT** drops in class and was able to finish 2<sup>nd</sup> last race against tougher.

**6 SUPREME MONARCH** now has back to back strong races coming into this start.

**Br MacDonald choice of 4 or 7.**

## Race 9 Selections 1-3-6-7

**1 SHOOTERONBYE** shows good recent form and has the gate speed and post to be the one to beat in race. The barn sports a rather nice .383 UTR.

**3 HEATHER LOVES NY** makes a further move down for this start. Note she won 9 of 29 races last year. Fits well here.

**6 POETIC DREAM** won in this class last race and is tough to leave off the Tri today.

**C Kelly choice of 4 or 5.**

## Race 10 Selections 1HAS -3-5-4-8

**1 TUXEDO** has been racing consistently well and gets the inside post advantage. He has real good gate speed, but is capable of racing from on or off the pace. I think he will be tough in the night's finale.

**3 HOPES SOLO** has turned things around now after 3 straight poor ones.

**5 LADY GABBIE** drops substantially and should be able to get going at this level.
