Most Probable Winner Race 2 – 1 CANADIAN PHAROH	Good Luck With Your Wagering Selections
Race 1 Selections 6-3-1-5 **6 DAVINCI SEELSTER** shows improving form and makes a small move down in class today. The barn sports a strong UTR and he may be able to break through here and score his first win of the year. **3 BUCIZE ROCK** shows good gate speed and two good races in his last three. He should contend. **1 DURHAM TOWN** has been good lately and gets the inside post advantage.	Race 6 Selections 2-4-5-6 **2 OCEANVIEW MAGNUM** has been rolling big time so far this year, already earning 4 wins and a 2nd in just 7 starts. He has gate speed and an inside post. Up in class though! **4 MELANIES MAGIC** was able come from well off the pace last race to finish 2nd. **5 ROCKY J SQUIRREL** also worked well from off the pace last. In his last 4 on the half-miler, all were top 3s. **L Roy choice of 4, 5 or 8.**
Race 2 Selections 1-4-7-5 **1 CANADIAN PHAROH** was a massive earner as a 3 year old and made the top two in 13 of 18 races. He joined the Moreau barn two starts ago and was very sharp. **4 PAPARAZZI HANOVER** almost beat this class last race and that was after making the front early from post 7. **7 PAR INTENDED** has won twice this year and is getting close to the ¼ million mark in career earnings. **P Mackenzie choice of 2 or 7.**	Race 7 Selections 5-6-2-8-3 **5 BIG GREEN TRACTOR** was much better last race. Finishing 3rd is not real "sexy" but it was from post 8. This horsed has some back class and works for a top barn. He might be able to follow up that good race with a top two finish. **6 FRONTIER SEELSTER** dropped down last start and finished 3rd and can be a contender with another in a bottom class. **2 LYONS DELIGHT** is moving down in class and gets a favourable post. He won 9 times last year.
Race 3 Selections 3-2-5-9 **3 ZEN DA BALLYKEEL** dominated at London March 6th and races for high % barn. He should fit rather nicely with this group, based on recent form. Also the driver M St. Louis has been racking up big numbers. **2 TOO MUCH DUNCAN** is the likely pacesetter in this race. He drops in class off a win and should be a big factor. **5 ST LADS SAILOR** shows enough recent form to be a play for the top 3.	Race 8 Selections 4-2-5-7 **4 FOOL ME ONCE** has a massive amount of back class, but is getting older. He qualified with rather serious intent getting ready for his 2019 debut. He compares well. **2 EVASIVE CARD SHARK** crushed the field last time out and is a big win threat from another good post. **5 GOLD STAR DIABLO** won 6 of 15 races last year, but has not been as good since coming to Ontario. Fits well here. **R Shepherd choice of 1, 4 or 8.**
Race 4 Selections 4-6-2-5 **4 PRETTY HANDSOME** gets a slight nod here in a very strong field. This guy has won 11 of 18 races and battled a first up trip last race and yet hung tough to be beaten only 1 length. He gets a bit better post today. **6 FINE DIAMOND** was very fine from off the pace last race and is back in the same class. Tons of back class. **2 HES GOT SWAGGER** did not fare well at London last race, but was a dominant winner only two races ago.	Race 9 Selections 2-5-8-6 **2 MISTER X** has gate speed and a good post, but not a lot in the way of current form. He drops a level today and might be much more of a factor with this group. **5 DAMON BLUE CHIP** showed some closing ability last race to finish 4th and may be a top three with this group. **8 UF BETTORS HANOVER has** plenty of back class and drops further for this start. A top pick if not for the post. **Br MacDonald choice of 4 or 5.**
Race 5 Selections 8-3-5-1 **8 HOPETOBEFIRST** has to be my top one based on his 6-race win streak. Many of those wins were by wide margins. Of course, the post makes him vulnerable, but he won from the tough post 7 at Lon last race, going all the way on top. **3 GOTAMEETING** won back to back races here before his last race and has much better post than my top pick. **5 LITTLE CLAYT** is a must use on the top three based on his last two races.	Race 10 Selections 8-5-7-1-2 **8 ASTERISM** won by "27" lengths last race. He didn't show much before that start, but maybe Travis Cullen can get him rolling again. The post is a big concern. **5 DUTCH SEELSTER** drops a level today and does have 2 wins this year. He should be better today. **7 EXPENSIVE TOY** won last race, but now is saddled with a tough post. He belongs on the Tri though. **P Mackenzie choice of 1 or 9 – Travis Henry 3 or 7.**
