MOST PROBABLE WINNER

RACE 2 – 3 MIKES POWERHOUSE

GOOD LUCK WITH YOUR SELECTIONS

Race 6 Selections 1-4-8-5

1 KEEPITINPERSPECTIVE didn't leave well last race and wasn't a factor. Her previous two were strong and she races for a solid barn. I think she can rebound and be solid here.

4 CUSTARD SMOOTHIE has yet to win this year, but has been racing well. She can fire off the gate and was solid last race.

8 WHATINEEDISAMAN might have been my top pick, if not for the post. I can't leave him off the ticket though.

J Harris choice of 6 or 7.

Race 7 Selections 1-4-6-7

1 STONEBRIDGE COMEDY came close to winning last race and that was just his 2nd start off a layoff. He has gate speed and the inside and gets a slight nod here over #4.

4 PAPER CHASE also can get off the gate well and comes into this one off back to back runner ups. Best last race time!

6 SAVANNAHS DREAM has to be included on the Tri ticket. She fired to the front last race and scored a top 3 finish.

Br MacDonald choice of 3 or 7.

Race 8 Selections 2-4-8-6

2 MANHATTAN JOE is off form right now, but drops and gets a good post. I think he compares well with this field and should have a good shot at rebounding and winning.

4 ZIPPIDY ZOOM is a win shy type that has 1 win and 11 runner up finishes. 2nd seems about right here.

8 DREAMY FELLA shows a speed advantage on this field, but the outside post and can that advantage away.

Trav Henry choice of 3 or 7.

Race 9 Selections 9-2-8-5

9 BULLDOG might have trouble finding a trip today from this post, but his win record this year makes him tough to ignore. He has won 4 of 8 in 2023 and is back in the same class. He raced sharply from off the pace here last start.

2 BARZY won below this class 2 races ago and was going well at this level last race before making a break.

8 BUILT TO LAST just might overcome the worst post and land a share of the top three. He closed a lot of ground last race.

Race 10 Selections 5-4-1-2

5 MACH JACOBS dominated here last race and that after coming first up. The barn sports a .348 and this horse is back in the same class today.

4 NATES BUCKY won 10 times last year and was good here last start. He should be a main challenger again.

1 SAUBLE PLAY moves up off back to back wide margin wins. He might carry that forward. The post helps!

S Coulter choice of 1 or 3.

Race 11 Selections 7-6-8-1

7 MISTER BIG TOP will get my top call here, despite the post. The best ones in this bottom class are on the outside. This classy vet has 2 wins this year, and the rest of the field has a combined 2 victories on the year.

6 RAISE YOU TWENTY was solid the last time he was here and that was above this class.

8 FOOLING YOURSELF might overcome the post for a share.

D Thiessen choice of 1 or 3 – J Harris 7 or 8.

Race 1 Selections 6-3-9-1

6 HANDSOME HANK was solid at this level last race and the overall time of his effort here last race compares well with the rest of this field. I give him the edge of that outing.

3 FASTNET ROCK won a maiden race here last start, and could be okay here in the NW2.

9 CREED HANOVER has been off since last June, but did win 3 of 9 races last year. A contender if fit and ready to go.

A Sorrie choice of 8 or 9.

Race 2 Selections 3-2-4-7

3 MIKES POWERHOUSE dominated at London in this class two races ago and has earned 3 wins in 9 starts this year. The barn sports a .413 UTR. This horse is a classy veteran, \$360,000 life.

2 DONTDOUBTTHELAKERS missed time due to sickness before a solid 3rd last race. He too has back class.

4 ONE MAN ARMY looks next best after my top two. He gets a better post today.

T Cullen choice of 3 or 7 -- Br MacDonald 5 or 6.

Race 3 Selections 5-1-3-4

5 ALLSTAR MEGASTAR raced solidly here two races ago, but last race made a break. This is a soft field. If he can stay flat, he should have a good shot at winning.

1 MAGIC HUSH hasn't flashed any gate speed, but did close reasonably well last race. Maybe he can improve today.

3 MAYA HOLIDAY was quite good here 3 races ago, but her last two were not good at all. Could rebound!

Trav Henry choice of 1 or 3 – P Mackenzie 2 or 4.

Race 4 Selections 2-5-4-7

2 THIRDTIMESTHEDREAM has really impressed me here of late and last race he finished 2nd in this class to a standout winner. That one, Treasured Tee, is not back in here today. This guy has drawn well and should be tough from pp2.

5 MAGNIFICENT SEVEN drops from the Pref class at London. Note he beat this class here Feb 19th.

4 JACKSON STORM moves up off back to back close 2nds. He has good gate speed and could be a factor here.

Race 5 Selections 3-6-8-2

3 ROCKINWITHCUSTARD won at Mohawk back in January and overall compares well here. He fired hard from pp10 at Moh last race, but faltered badly late in the mile. Top barn!

6 LILI GL shows consistently good form of late and should be one of the main threats to my top choice.

8 MILLIES MILLION might have been my top one here last race if she had a better post. Drops and can rebound for a share.

Br MacDonald choice of 3 or 6.
