Most Probable Winner  
Race 1- #1 STOLEN SECRETS

Good Luck With  
Your Wagering Selections

## Race 1 Selections 1-2-3-5

**1 STOLEN SECRETS** stands out here as the one to beat. She has won 3 of 6 this year and made the Tri in all 6. She left better last race and should leave well today from pp1.

**2 WISDOM IS GOLD** made up a lot of ground last race and now gets to leave from an inside post.

**3 ST LADS ELEKTRA** was much better last race and might build of that one and threaten to win here.

**S Coulter choice of 5 or 6.**

## Race 6 Selections 3-6-9-8

**3 NORTHERN OATH** showed good improvement last race and may well build on that one and be a top two factor today. She was good against tougher here in late March.

**6 BRED FOR GREATNESS** drops down and may be the more logical win choice at this level.

**9 WINDMEREDONTUWORRY** might have his mojo back with a sharp race against lesser foes at Sarnia last start.

**Br MacDonald choice of 2 or 9.**

## Race 2 Selections 1-9-2-5

**1 LARRY IS DEBS ROCK** did a solid job from this post last race and should have a good shot at building on that race and threatening to win his first here today.

**9 MOONSTONE** was going well in his debut before making a break. If he stays flat, he might win. Shows speed!

**2 CUSTOM CUT** is likely to be much better today from this post. He closed well in his season's debut May 11<sup>th</sup>.

**P Mackenzie choice of 4 or 5 – C Kelly 3 or 6.**

## Race 7 Selections 9-5-8-6-1

**9 OSEMYLUCKY BO** was competitive against tougher here last race and should have a strong chance here with the class drop. The post can be a negative though.

**5 PRIVATE DI** was very sharp here in each of her last two races and probably belongs on the Ex ticket again.

**8 COLD CREEK LACEY** is tough to bet against, but the post works against her. She is super sharp now though.

**M St. Louis choice of 1 or 8 – J Harris 3 or 9.**

## Race 3 Selections 2-5-4-3

**2 I C ANASTRO** crushed a field at London last race and has the post and gate speed to possibly wire this field. She missed a bunch of time before that last race.

**5 IMACAROLTOO** came up with a big outing here last start and is likely to pose a big threat to my first pick.

**4 LITTLE ANNA MAE** is a proven vet with 52 career wins, and raced well in each of her last two starts here.

**M St. Louis choice of 2 or 3.**

## Race 8 Selections 6-5-9-7

**5 VERO AMORE BI** was very good in each of his last two races, with the latter of those being here in this same class. The one that beat him last race, (#9) has drawn poorly.

**9 LUCYS JET** took down my top pick last race, but has drawn possibly the worst post for him, the trailer post.

**9 EXPLOSIVE JET** did not fare well last race, his first for trainer R. Moreau. If she stays flat, she should grab a share.

**M St. Louis choice of 2 or 9.**

## Race 4 Selections 4-6-8-5

**4 NABBER AGAIN** has just been okay of late, but is dropping in class here and shows enough overall speed to possibly be much better today.

**6 STOMPIN TOM CREEK** has a lot of back class. He qualified well last race and might be just fine off a layoff.

**8 GOLD STAR DIABLO** is saddled with a poor post, but should have a chance at the top three.

**Br MacDonald choice of 1 or 7 – B Davis 4 or 6.**

## Race 9 Selections 5-2-3-1

**5 LAKE OF GOLD** will get the nod here, but shows only one good race in her last 6. The good race was her last one here and she gets an inside post in a smaller field.

**2 KAYMAR CHROME** was not going very well at all before a solid 2<sup>nd</sup> here last race. Maybe she can keep it going today.

**3 FLYSANTANA** has finished 3<sup>rd</sup> in 3 of her last 4 races and should grab a top three finish with this group.

**Travis Henry choice of 1 or 2.**

## Race 5 Selections 5-2-9-7

**5 HAY DARLENE** won 6 in a row before finishing a close 2<sup>nd</sup> last race. From what I saw during that winning run, I expect her to get some revenge on #2 today and turn the tables on the one that beat her last race.

**2 KRIS ME GOODNIGHT** has been racing well all year and took down my top pick last race. A definite threat to win.

**9 HOPES SOLO** has won 5 times in 12 starts this year, but the post my really hurt his chances. Is a pacesetter.

## Race 10 Selections 2-9-6-7-3

**2 LITTLEBITASWAGGER** drops in class, but will need to show more stamina than his last race. He has gate speed and a good post and may like the drop.

**9 LUKE AND DUKE** was not good at all at Mohawk in his last two, but shows enough speed to rebound in this class.

**6 RACEMEUP** was going well late race here before a late break. He can contend if he stays flat.

**R Shepherd choice of 3 or 5.**
