Most Probable Winner Race 5 – 2 MR BIG W	Good Luck With Your Wagering Selections
<p><u>Race 1 Selections 5-4-3-2</u> <b>5 TEREM A NEW ONE</b> was a rather dominant winner here last race and he has flashed his good gate speed in 3 straight races. <b>4 SUMMERTIMECRUZIN</b> could rebound from just one poor outing. He qualified reasonably well. <b>3 DURHAM TOWN</b> missed about 5 weeks before his last race and yet was able to finish 3<sup>rd</sup>. Compares well enough. <b>R Shepherd choice of 4 or 6.</b></p>	<p><u>Race 6 Selections 4-5-3-1</u> <b>4 SOS MESMERIZE</b> was frankly the best in this class last race, winning by 4 ½ lengths. With another start at the same level, you would have to think this filly will have a big chance to repeat. <b>5 ASA ONAMISSION</b> has won 2 of her last 3 and should be the main threat to my top one. Note only 2 wins on the year though. He is 13 of 22 in the top three. <b>3 COLD BERE HERE</b> seems next best in this group.</p>
<p><u>Race 2 Selections 5-3-4-6</u> <b>5 ESCUELA</b> is looking for a 4<sup>th</sup> straight win. She is a classy veteran mare that races for a top barn. The way she has looked here in this class in her last two, she is the one to beat again today. <b>3 YOOOUKILIS</b> beat this class handily last race, and belongs on the Ex ticket off that strong showing. <b>4 TAURUS DU PARC</b> is tough to leave off the top two. Note 9 of 19 this year on the Ex ticket, including last time out.</p>	<p><u>Race 7 Selections 5-3-2-6-4</u> <b>5 OUTLAW GUNPOWDER</b> won back to back races here before a 3<sup>rd</sup> last time out. He was not quite as sharp last race, but overall I think you have to give him the edge with this group. The barn is solid. <b>3 LUMIERE</b> has won 8 times this year and overall shows enough to be the main play behind my top choice. <b>2 YOUNG MAN MATT</b> had tougher posts in each of his last three. Also, he had a tough trip last race.</p>
<p><u>Race 3 Selections 1-5-4-8</u> <b>1 FACE OF WAR</b> has been racing consistently well for a while now and gets the benefit of post one. He has the gate speed to make good use of the inside advantage. <b>5 CREEPIN</b> is on a big roll right now and looms a major win threat. His last race win was especially impressive. <b>4 APOCOLYPS SEELSTER</b> was not great from the trailer post last race, but shows sharp form in 3 previous races. <b>C Kelly choice of 2 or 3 – J Harris 7 or 9.</b></p>	<p><u>Race 8 Selections 3-5-6-2</u> <b>3 LETS WAIT AND SEE</b> drops well down today and stands out at this level. He was a competitive 4<sup>th</sup> in the Pref 2 class last race and the time of 1:54-1 in that mile compares well. <b>5 REDONKULOUS</b> dropped down to this level last race and was able to bounce back and races better. Fits well here. <b>6 NOTETOSELF HANOVER</b> will drop from Mohawk for this start and should have a good look at a top three finish. <b>C Kelly choice of 3 or 7.</b></p>
<p><u>Race 4 Selections 4-2-3-6</u> <b>4 THUMPER</b> will get my top call here, but I am worried that #2 may have too much for her. This guy looked sharp here in each of his last two, while #2 is off form right now. <b>2 EZEE TIGUAN</b> drops well down and could be better here. She needed to get a flat line last race, after making breaks in each of her previous two. <b>3 BJ SAVANH</b> should be next best here. <b>R Shepherd choice of 3 or 4.</b></p>	<p><u>Race 9 Selections 6-7-5-1</u> <b>6 AMAZING PERCH</b> was real good this summer at GRVR and has excellent overall speed. He moves up a level here, but I expect him to handle this assignment. He is in tougher here though and there are a few other sharp ones. <b>7 TOOT TOOT</b> was able to overcome this post for a 2<sup>nd</sup> place finish in each of his last two, both in this class. <b>5 IM SPORTY</b> drops well down off a tough start. He looked solid here before trying Mohawk to no avail for his latest.</p>
<p><u>Race 5 Selections 2-1-4-6</u> <b>2 MR BIG W</b> stands out to me in this race and is likely to be a rather short price. He won in this class last race as the heavy fave and looked well within himself in doing so. The driver/barn combo is top shelf. <b>1 BANK OF DAD</b> was not as good last race as his previous 4, all top three finishes. I expect a big rebound. <b>4 HEARTLAND ECLIPSE</b> was sharp in back to back races before the trailer post did him in last race.</p>	<p><u>Race 10 Selections 6-5-9-3-2</u> <b>6 KEEP COMING</b> was quite good in his last race and has two good starts during his last three. This looks like a wide open dash, but I give him the edge. He looks due for a win. <b>5 BUCKSHOT AUSTIN</b> drops a level today off an okay outing. I think he fits well enough at this level to be a win threat. <b>9 WHATASHOWINONTARIO</b> might grab the show spot. <b>R Shepherd choice of 4 or 9 – C Kelly 5 or 7.</b></p>
