MOST PROBABLE WINNER
RACE 5 – 4 JOYFUL KATE

GOOD LUCK WITH YOUR SELECTIONS

Race 1 Selections 3-2-4-1
3 EMPTYTHETILL will get top billing here. This field does not have much in the way in form and his last race was much better, and he is one of 4 that drops in class for this race.
2 SPORTSRANGER finally gets an inside post. That and the class drop should give him a chance to be a top three finisher here today. Also, he races for a top barn.
4 KEY TOPIC improved nicely last time out. He dropped to this class and finished 3rd, something he could do again today.

Race 2 Selections 3-5-6-7
3 PROLOGUE was not good at all at Mohawk last race, but he has won 7 times this year and did race well only two races ago. Also, that was while facing tougher than here.
5 SMOOTH MARA has won 5 of 16 races this year, but and drops a level for this start. He works for a barn that is rolling quite well right now.
6 DEVILS PEAK should be a top three with this group.
A Carroll choice of 3 or 6.

Race 3 Selections 7-6-4-5
7 APRIL ROSE should be the class of this field and has won 11 times this year. She was not good last race, but you only have to go 2 and 3 back to see strong form.
6 RAMAS LAST SON is looking for a 3rd straight win. My top one has a lot of talent, but if anyone in here is going to take her down, it is most likely this guy.
4 VESUVIO BI moves up off a win.
S Young choice of 1 or 2 – Trav Henry 3 or 4 – A Carroll 5 or 6.

Race 4 Selections 4-9-2-6
4 GALAGHER SEELSTER shows enough recent from to be a top pick here. This looks like a fairly wide open dash. He is the season's earnings leader of this field.
9 ASTERISM was almost able to win last race after leaving from post 7 and parking to past the opening ¼ pole. Note this guy has only 1 win in 25 races this year, but is 13 for 25 on the Triactor ticket.
2 BANDICOOT shows very good recent form. The pp helps.

Race 5 Selections 4-2-5-9
4 JOYFUL KATE was just okay last time out, but her overall recent body of work should make her the top pick here. Note she won back to back races before her last race and that was against a level above this one.
2 THATS MIA BAD has been racing consistently well for a while now and should be a main factor.
5 PRINCESS JEWELS shows much better recent form.
C Kelly choice of 7 or 8.

Race 6 Selections 4-2-6-9
4 SAULSBROOK BAILEY is looking for a 3rd straight win. She has been able to make the lead from tougher posts lately and should be fine here. Note this is her first start In Ontario.
2 ZOE BAYAMA is on the upswing and is likely the one if my top pick does not transfer his out of Province form to here.
6 SAINTSBURY LASS was not good against tougher last race, but shows solid form at this level two races ago.
Travis Henry choice of 2 or 4 – Nat Day 7 or 8.

Race 7 Selections 3-1-5-8-7
3 DOMITIAN HALL has put up 3 very good races in his last 4 and now should be the considered the one to beat in this class. He can race well from on off the pace.
1 DOMINUM DEO was able to race quite well here from an inside post two races ago. Needs to avoid another break though.
5 CREAMPUFF MACDADDY has back class and belongs the Tri.
N Day choice 2 or 9 – R Shepherd 3 or 8.

Race 8 Selections 4-1-7-2
4 EMMALULU was better last year as 4 year old than this season. Still, he did win last race and overall is a solid mare. She moves up a level today but still should fit well in this class.
1 HEINEKEN SEELSTER can leave real well and is a threat to go a long way from post one. He is winless this year though and has 5 runner up finishes in 2018.
7 BROADWAY MAIJA might overcome the post for a top 3.
R Shepherd choice of 1 or 2.

Race 9 Selections 3-1-5-4
3 DIAMONDS DANCE comes into this race hot and is back in the same class. She won rather easily last race and is clearly the one to beat here.
1 MALNIFICENT battled a tough trip last race and finished 4th. She can leave well and overall on the year is a very strong 16 of 19 in the top three. I think she can do better today.
5 MACHS ECHO is on a good roll right now and belongs on the top three. She too can get off the gate strongly.

Race 10 Selections 4-7-3-5
4 KADABRASNEWRECRUIT dropped to this level last race and was better. This is a bottom level trot, so there is not a lot of form in class and is a level that should fit him well.
7 REVENUE AGENT dropped to this class last race, but only managed a 4th and that from a better post. Still, this looks like a softer spot for this classy vet. I expect him to be a factor.
3 WAIKIKI HANOVER is probably next best here and the better post could propel him to a top three finish.

Race 11 Selections 5-8-2-6-4
5 SIMON SAID has won 4 of his last 5 races, but now moves up in class and should be more challenged here. Still, I think he will handle the move well enough to keep winning.
8 WEB CAM might have been my top pick if not for drawing the toughest post. Still, he is a threat to my top one anyway.
2 VINCENT VAN GO shows solid form and is back in the same class. Note, he drawn better than my top 2 picks. Beware!
J Harris choice of 4 or 6.
