### RACE SELECTIONS

**Tuesday, October 20, 2020**

### MOST PROBABLE WINNER

**RACE 7 – 5 RYE N CLYNE**

GOOD LUCK WITH YOUR SELECTIONS

### Race 6 Selections 4-1-7-8

**4 Y A MUSCLE MASS** missed much time before his last race here and yet was a strong 3<sup>rd</sup>. He fired to the front and just tired in the late going. He could have more stamina this time.  
**1 READY TO DEAL** shows improving form and might be able to crack the top two with the class drop and good post.  
**7 TINAS MAJESTY** will need to avoid making another break. If he does, he can be in the hunt for a share.  
**S Coulter choice of 1 or 2 – C Kelly 3 or 9 – J Harris 6 or 7.**

### Race 1 Selections 2-6-7-3

**2 AMERICAN RISK** has been a steady top three finisher this year. He has been racing from a lot of poor posts lately. In his lone good post, he almost wired the field.  
**6 DONT ASK LOGAN** has come on in his last two races, winning one and finishing 2<sup>nd</sup> in the other. He should be a win threat.  
**7 BANKROLL** has raced well lately for the most part, but the poor post seems likely to limit him to a lesser share.  
**T Moore choice of 1 or 6 – T Cullen 3 or 7 – J Plante 4 or 8.**

### Race 7 Selections 5-6-7-9

**5 RYE N CLYNE** has won 9 times in 23 starts this year and is right on top of him game right now. He parked every step last race in this class and yet still was 2<sup>nd</sup> by a head.  
**6 REAL WICKED** was very good last race, coming way off the pace to finish a close 2<sup>nd</sup>. He is the main challenger here.  
**7 CHALEURS AD** loves to fire to the front, but the post certainly can hurt his chances. He can be a Tri play though.  
**Br MacDonald choice of 3 or 6.**

### Race 2 Selections 2-4-7-1

**2 ZEALOUS SEELSTER** was able to beat this class handily last race, despite leaving from pp7. He won 9 times last year and may be rounding into top form now. She does have gate speed and may leave much more here today.  
**4 LDL GEM** has won 16 times since Jan 2019, and was racing sharply before a 4<sup>th</sup> here last time out. Contender.  
**7 WINDSONG OLYMPIA** might be able to overcome the poor post and grab a lesser share.

### Race 8 Selections 3-9-4-7

**3 MAJESTIC BRAYDEN** won in 1:54-4 at Mohawk two races and then dropped here to this class for his last one. He was a heavy fave, but made an early break. If he stays flat here, he should have a strong chance to make amends.  
**9 MAGIC NIGHT** should have a better night here, coming in from racing at Mohawk. He compares well in terms of speed.  
**4 MUSCLES JARED** also drop from Mohawk and should have a chance to find the top three.

### Race 3 Selections 1-3-7-4

**1 MA REBELLE** wired this class by a wide margin at Elora two races ago and shows winning each of her last two races when leaving from post one. She is very likely to make the early lead today and have a strong chance to go all the way on top.  
**3 DESTINY CRUISE** want a long way on the lead last time out and this veteran mare looks like the main threat to my pick.  
**7 TAYDERTOTZZ** shows enough recent form to be a play for the Tri ticket, despite leaving from post 7.

### Race 9 Selections 4-5-8-1

**4 TOBINS TERROR** drops in class off a decent outing against tougher and should have a very good shot at this level of scoring his 4<sup>th</sup> win of the year. Note he comes into this one off back to back 3<sup>rd</sup>, both were above this class.  
**5 HYPNOTIC KEY** has raced strongly in this class in 2 of her last 3 races. She only has 1 win though in 20 starts this year.  
**8 FLUENTOCITY** drops and could be better, but the post is a limiting factor. He may overcome for a piece.

### Race 4 Selections 5-3-2-7

**5 IN SECRET** has a ton of back class, more than \$888,000 life, and dominated the level one below this last time out. He should be a strong factor here today in this post. Note last year as a 7-year-old, he earned more than \$212,000.  
**3 POWER AND GRACE** has won 7 of 21 this year and is a really nice mare that can threaten my top pick.  
**2 LEFKADA** dropped to the Pref 3 class for her last two and won both. She moves up one level, but still fits very well here.

### Race 10 Selections 5-8-1-9

**5 TEETER** was good here in each of his two races at Flamboro, and won his last race in this same class. Off his recent form, he should be considered a solid win pick, especially with the poor draw of my 2<sup>nd</sup> choice.  
**8 IRISH PRINCE** drops down and shows enough overall speed to possibly overcome the worst post.  
**1 DOVER SEELSTER** might be next best in this soft field.  
**T Moore choice of 4 or 6.**

### Race 5 Selections 5-3-8-7

**5 STRATEGIC THINKING** has raced well of late and should be strong in this spot. Note he led a long way last time out, before tiring late. He compares well and could make amends.  
**3 SPECTRUM SEELSTER** has won only twice this year, but is a strong 12 of 17 in the top three. He is a must use on the Tri.  
**8 KEVNDAN FRAUDSTERS** parked every step last race and still made the Tri. He won his two previous. Can overcome pp8!  
**P Mackenzie choice of 2 or 7 – C Kelly 6 or 9.**

### Race 11 Selections 8-5-7-6

**8 LYONS RIVER PRIDE** earned almost \$100,000 last year as a 5-year-old and has been a strong earner this year as well. She has the speed to overcome this post and win at this level.  
**5 YS TALLIA** has plenty of back class and was racing at this level before a tough outing last race from post 7. Rebound!  
**7 OUTLAW IMAHOTVIXEN** moves up off back to back wins. The post can hurt her chances though.  
**J Harris choice of 2 or 8 – T Cullen 7 or 9.**
