### RACE SELECTIONS

**Tuesday, September 14, 2021**

### MOST PROBABLE WINNER

**RACE 9 – 6 DELAWARE**

GOOD LUCK WITH YOUR SELECTIONS

### Race 6 Selections 1-3-4-6

**1 GET TO THE POINTE** was able to wire a field at Georgian 3 races ago and the last time he had post one. Note he has 3 wins on the year and raced well here last time out.

**3 JOHNNY PING** also can fire hard early and has been very sharp in his last two. He looms as a big threat to #1.

**4 UFTON ABBY HANOVER** raced quite well in 3 straight before not being as effective last race. I think he will be better today.

**Trav Henry choice of 4 or 6.**

### Race 7 Selections 3-2-6-1

**3 THE LEGEND HANOVER** makes a substantial drop for this race. He doesn't have a win yet this year in 14 tries, but I think this is a good spot for him. His recent speed should translate quite well in this class.

**2 DROWNS THE WHISKEY** can get off the gate quite well and is my top one doesn't rebound then he is probably the one.

**6 TUKKA RASP** moves up off a dominant win. He has won 3 of his last 4 and could be dangerous even with the move up.

### Race 8 Selections 6-7-1-4

**6 PRETTY HANDSOME** will get my top call here, but this is a nice field and I wouldn't want too short a price. He raced well in each of this last two finishing 2<sup>nd</sup> in both, and the one that beat him is not back in the class this evening.

**7 FIRST CLASS HORSE** shows good off the pace ability if need be and he raced well here in this class last time out.

**1 STATEMENT MADE** will again have the advantage of the inside. I think he can use it today to grab a top three share.

### Race 9 Selections 6-1-5-4

**6 DELAWARE** shows excellent form in his last 3 races and compares quite well with the rest of this field. He can get off the gate very well and will probably leave off the gate here despite post 6. She drove early from pp8 last race.

**1 HOROSCOPE** looks to me like the one with the best chance at taking down my top choice. He has the post, gate speed and form to be strong here. Needs to avoid another break!

**5 RANGER ROB** moves up off a win and can grab a piece.

### Race 10 Selections 2-1-6-7

**2 TEETER** is off form right now, but was good only 3 and races ago and that was while facing this same class. Note he gets a better post and does have gate speed. I think he rebounds.

**1 KINGS JESTER** moves up a level off a win and could be fine in this class, considering he gets to start from pp1.

**6 BRILLIANT CORNER** raced well in this class last race and works for a high % barn. A strong top three threat.

**C Kelly choice of 2 or 4.**

### Race 11 Selections 2-6-1-7

**2 DREAMFAIR B J** will get my top billing in the finale. He has a ton of back class but has not fired yet in 7 starts this year. He is way down in class and gets a good post. The one to beat.

**6 OSBORNE SEELSTER** dropped to this class last race and did put up decent speed. I expect better today.

**1 PRARIE MYSTIC** makes a first start for a new barn and gets the inside. He shows good overall speed and could fire today.

**T Henry choice of 1 or 2 – Br MacDonald 4, 5 or 6.**

### Race 1 Selections 3-1-6-4

**3 HARDY MILL JOE** did a nice job from off the pace last race to finish only ½ a length off the winner. That was from pp8 and now he moves inside. I think he can be a big factor today.

**1 RICOTTABKIDDINME** came up with a big effort in victory back in mid-July at GRVR, was not good in his next 3. Today, he moves inside and could pop.

**6 DARK MOVES** has made the Tri in 3 of his last 4 starts.

**Br MacDonald choice of 3 or 7.**

### Race 2 Selections 4-2-1-6

**4 ACE BI** drops well down for this start and is one that certainly could spark up here. He compares well against this field, but is one that can make breaks and has to mind his manners.

**2 HERBS JOURNEY** has been a solid earner the past two seasons. He was good before his last start and now drops.

**1 OCEANVIEW DEB** was game from this post last race and should be in the hunt for the win again today.

**A Sorrie choice of 5 or 7.**

### Race 3 Selections 5-3-7-8

**5 STONEBRIDGE NITRO** is on top of her game right and crushed a field at GRVR last time out. She faces tougher today, but shows the speed to contend here. Strong barn!

**3 RADICAL JJ** should be the main threat to my top one. She beat a Nw2 class last race and was sharp at this level two back.

**7 TOP OF THE BAR** is better than her latest. Beat this class Aug 28<sup>th</sup> two races ago and has off the pace ability.

**T Cullen choice of 4 or 8.**

### Race 4 Selections 4-1-7-2

**4 DEFCON SEELSTER** has been somewhat inconsistent, but when he is on his game, he is solid. He shows enough overall speed to get the better of these if he races to that level.

**1 TOP HALL** was very good last race from an inside post, nearly wiring the field. He should have a good shot at the Ex again.

**7 MIKE THE KNIGHT** was racing well before making a break last race. A top three here if he stays flat.

**S Coulter choice of 1 or 2.**

### Race 5 Selections 1-2-8-5

**1 BRODYS SCRAPPER** dropped to a level below this last race and crushed the field. He is still in today at a level well below his ability. The inside gives him a big shot to wire the field.

**2 CROSSCUT** shows back-to-back miles of 1:51 and change at Mohawk only 3 and 4 back and should fare well here today.

**8 J J POWERBALL** beat a Pref 2 class in Elora this summer and compares well here. Can overcome the post for a share.

**T Cullen 1 or 5 – J Plante 2 or 4 – B Brown 3 or 7.**
