MOST PROBABLE WINNER

RACE 10 – 5 FOOL ME ONCE

GOOD LUCK WITH YOUR SELECTIONS

Race 6 Selections 1-6-4-7

1 CREAMPUFF MACDADDY is a classy vet that went a long way on the lead last race, and that was against tougher. I think he has a fine shot at wiring this class.

6 THUNDERAWAY came up with a big start here in his first for P. Shepherd She has a bit tougher post, but looms as threat to make it two wins in a row

4 GLIDING SENORITA should be a top three factor.

C Kelly choice of 3 or 9.

Race 1 Selections 5-4-2-1

5 SANTI HANOVER has been racing quite well, although his last race was not as good as her last race. She races for a barn that has won a lot of races here over the years in Bill Budd.

4 JOYFUL KATE shows enough recent form to be a solid consideration for the Tri ticket.

2 ME AND MY ROCKSY makes a first start of the year. She did win here last year in 57-3.

Travis Henry choice of 1 or 4.

Race 7 Selections 1-3-5-7-6

1 HILARIOUS HONEY has won 5 of 12 races this year and gets the inside post. She battled hard last race and finished 3rd as the fave. She should make amends today.

3 MAJESTIC WANDA won in this class last race, and should be a main threat to my top pick She has gate speed and grabbed a pocket trip in each of her last three.

5 ASA ONAMISSION shows consistent form coming into this race, but is a win shy type with just 1 win in 32 starts.

Race 2 Selections 5-1-7-3

5 ONECENTFROMHEAVEN is 6 of 11 in the top three this year, but has earned only 1 win. She raced quite well this summer at GeoD. In her last start, which was at GRVR, she wasn't as good.

1 MYSTIC SEELSTER came first up last race and yet was able to hang in for a 3rd. That was a solid effort.

7 CRITIQUE ships in for her first start in Ontario, and shows form. Note this is her 2nd race off a layoff.

S Young choice of 1 or 6.

Race 8 Selections 1-2-6-3

1 ARTOFFICIAL FLAVOR was really sharp here in victory last time out, as he battled first up and yet still had enough left to get by a couple of strong ones.

2 CHAMPAGNE PHIL has a ton of back class and with a trip could get the better of my top one. This guy is proven, and is racing well right now.

6 SPORTS COLUMN has been much better in his last two and has a shot to get by the \$500,000 earnings threshold this year.

Race 3 Selections 3-9-7-4

3 MATTJESTYS PRIDE has yet to win but has come close of late and may breakthrough here. She was able to score a pocket trip last race and now gets a better post.

9 ROXANE is also a win shy one that shows good form and looks ready to win soon. The trailer post doesn't help though.

7 HELENA JIMBAG was a very competitive 2nd last start, but that was from post one. Tough assignment today.

S Coulter choice of 3 or 8.

Race 9 Selections 5-8-1-7

5 TAURUS DU PARC missed a bunch of time before his last race yet almost won. This 10 year old is back in the same class today, and is likely a big threat to win off that good return to action.

8 YOOUKILIS has been racing sharply, but is saddled with the worst post. He won from post 7 last race though, so he must still be considered a contender.

1 FRENCH BASTILLE might be able to parlay post one into a top three finish.

Race 4 Selections 5-3-1-7

5 SCOTTIES SPIRIT beat up this class last race and now has a pair of wide margin wins in her last 3 starts. She appears to have too much for this field.

3 P L KNUCKLEHEAD is having a very consistent year and seems like the most logical one to use on the Ex ticket along with my top choice.

1 WILMA C has been much better this year than last and is on her game right now. She is a must use top three from pp1.

Race 10 Selections 5-6-4-2

5 FOOL ME ONCE has enormous back class and did bounce back here last race after a tough one in the Gold Cup and Saucer. He looms here as the one to beat.

6 IMSPORTY faded late after first up trip at Mohawk last race, but still paced a decent mile. He won in 51-1 at Moh Aug 4th.

4 UNRAFTED put together 3 straight strong miles before his last race. That was a tough one in the Pref 2 class from post 7.

Travis Henry choice of 6 or 9.

Race 5 Selections 1-2-5-3

1 SING LIKE AN ANGEL will get my top billing here in what looks like a pretty balanced group. I her ability to make the lead from post one and possibly wire this field.

2 FROG POND PRINCESS was able to use a good post last race to get a pocket trip and finish 2nd. We may see a repeat of that.

5 HOWMACFIESTY is having a real good year and shows more than enough to be a top three play. Missed last one though sick.

C Kelly choice of 2, 3 or 4.

Race 11 Selections 2-6-4-7-1

2 BLUE FOX disappointed as the fave here last race, as he made early breaks. He was sharp in this class two races ago and shows some major speed. Redemption!

6 UPGRADE VALLEY raced well in this class last race from the 2nd tier and has put up 3 solid races in his last 4 starts. He should have a good shot at the top three.

4 BLUE CHIP SUNSHINE has been a better lately and may make the Tri ticket again today.
