Most Probable Winner  
Race 8 – 2 TURNING THE TABLE

Good Luck With  
Your Wagering Selections

## Race 1 Selections 2-1-3-7

**2 CHUCK HEATON LOVE** has the gate speed, post and form to be the top one in here. He has won 3 times this year, while the rest of the field has amassed 4 wins this year between them. I give him a good shot to wire this field.

**1 THUNDER ROMPS** missed almost a month before his last race and tired badly late. He should be more fit today.

**3 FINKLE IS EINHORN** gave a strong showing last race and belongs somewhere on the Tri ticket.

## Race 6 Selections 4-2-1-3

**4 SO AWESOME** has a ton of back class and is looking today to go past the ½ million dollar mark. She has been off since Aug 11<sup>th</sup> though and might need a start. If she is ready to race up to her talent, she should win.

**2 SECRETS LADY** is off form right now. She was very good last year, and might fire up today with the class drop.

**1 WOODMERE WYLDSTYLE** shows enough recent form to be a play for a top three share from post one.

## Race 2 Selections 5-1-4-3

**5 MOUSE** raced well in her debut at GRVR last time out and should have a good shot here to build on that outing. This a compact field, so the post should be of little significance. I give her a slight edge.

**1 TIOGA SUNSHINE** beat this class last time out and did it on the front end. From post one today, a repeat of that mile certainly seems very possible.

**4 OKEEHEELE** was sharp at GRVR last race. Contender!

## Race 7 Selections 2-3-6-4

**2 POWER AND GRACE** will get a slight nod here over my 2<sup>nd</sup> choice. That one is also racing quite well of late. I give this mare the edge to make the early lead. She finally gets a favourable post and is likely to want the front again.

**3 SICARIO** is in fine form and also has strong gate speed. He definitely capable of taking down my top choice.

**6 ARRAKIS** has beat this class in 4 of his last 5 races and has 9 wins on the year in 17 starts. Tough to leave off the Ex.

## Race 3 Selections 2-1-5-6

**2 ESPIRIT DEQUIPPE** paced in 1:52-3 at Mohawk two races and was a competitive 4<sup>th</sup>. She was not good last race and now changes venues in hopes of getting back on track.

**1 LAILA BLUE** now gets a better post and flashed to the front from pp7 last race. She can be a trip horse here.

**5 KOUNNIS** tried to wire this class last race and raced well to finish 2<sup>nd</sup>. I think she is a must use top three.

**Br MacDonald choice of 2 or 4.**

## Race 8 Selections 2-5-7-1

**2 TURNING THE TABLE** was outstanding before her last 2 starts and could bounce back with authority here today with a start from pp2. She has strong gate speed. Rebound!

**5 WATCH ME DANCE** has been inconsistently lately, but her best effort here makes her a top two threat.

**7 SUNSHINEINMYPOCKET** wired a field here last race, but that was post one. Still, she belongs on the Tri ticket.

**A Sorrie choice of 1, 4 or 7.**

## Race 4 Selections 6-2-3-5

**6 LILI GL** has won 3 of 4 career start and was 2<sup>nd</sup> in the other. She moves up off a front-end win from pp6 last time out and could find this level tougher. I still her the edge.

**2 GREYSTONE TREASURE** is in fine form and almost won here last race, despite post 7. She has good gate speed.

**3 KEEPITINPERSPECTIVE** won at this level last race and has to be used somewhere on the Tri ticket.

**A Sorrie choice of 7 or 8.**

## Race 9 Selections 6-4-3-5

**6 MANHATTAN NIGHT** drops from the Pref 2 class and should really enjoy this level. There are a couple of sharp ones in here, but think she may have too much to offer for this level.

**4 EMBLYNETTE** came back into form last race and now gets to drop a level. I think she is the main threat to #6.

**3 SMOKE N REACTOR** dropped to this class last race and almost wired the field. She is having a good year.

## Race 5 Selections 1-6-5-7

**1 COLD CREEK LACEY** has the gate speed and post to try it again on the early lead. The two that beat her last time out are much better than any others in here today. I think she might be able to get left alone on the lead.

**6 DRY CREEK IMAGE** has made the top two in 10 of 18 this year and romped last race. Moves up, but should be fine.

**5 FRILLS AND LACE** was able to finish 2<sup>nd</sup> last race, despite leaving from post 8. She was sharp two races ago also.

## Race 10 Selections 9-6-3-5

**9 HELLO MR P** has won 4 of 12 this year, but fell off in his last two and now drops in class. The trailer post can complicate things, but I expect him to find away to get the job done and score a 5<sup>th</sup> win of the year.

**6 FERN HILL FLIGHT** shows good recent form, but has to work from a tougher post than any of her last 5 races.

**3 BRUTUSTHEBARBARIAN** doesn't leave much, but can close very well. He is a top three player in this field.
