Most Probable Winner
Race 7 – 3 SAULSBROOK PEACH

Good Luck With
Your Wagering Selections

Race 1 Selections 9-4-1-7

9 THE CAMEL EXPRESS is on a good roll right now and was able to race well from the trailer post at London last race. The combo of Bob M. and C. Gilmour is a tough one.

4 NORTHERN LAUREN is coming off a nice last race and may be able to make another top two effort here today. Note he has won 5 of 18 this year.

1 CASIMIR QT gets a better post. The last time she had a good post, she was a strong 2nd here.

Race 2 Selections 3-4-6-1

3 BUTTERMILK HANOVER had 3 really fine efforts here in Sept and her last race was not bad. I expect her to have a good shot here at beating this field.

4 SING LIKE AN ANGEL can pose a big threat to my top choice. This mare comes into this race in fine form, and compares well with this group.

6 HEELS ON THE BEACH beat this class here in mid Sept, but has not been as good at Mohawk in 3 starts since.

Race 3 Selections 4-2-9-1

4 MICHELLES DEUCE comes into this race in 3 straight and the last one was a wide margin score. I think she can extend the win streak today.

2 LADY RICHMOND has had a strong run of races during her last 6. Last start was the only non-top two finish in her last 6, but note she was beaten only a neck.

9 NINE DAYS shows the ability to handle the post. She is racing on top of her game right now.

Race 4 Selections 1-4-2-8

1 LADY OF MY DREAMS was a sharp winner in early Sept at GRVR, but has had only one race since and was not good. I think she could bounce back well and like post one.

4 BRAVE NEW WORLD did not do much last race, but that was from an outside post. I expect a bounce back outing.

2 TANZANIAN has not won this year in 24 races, but has been able to make the top three enough to be a contender.

S Young choice of 2 or 3.

Race 5 Selections 3-1-5-7

3 CASIMIR PARDON ME had such a tough trip last race at Mohawk that you should just throw out the line, and look to nice form here at Flamboro before that start.

1 I C ANASTRO has fine gate speed and makes a first start for a high % barn. This mare is racing very well right now, and should challenge for the win.

5 PHOENICIAN GAL seems to love finishing 3rd. She has done so 13 times this year, including 4 of her last 5 races.

Race 6 Selections 8-3-6-9

8 L DEES LUCA has won 4 in a row and one of those from post 7 and parking every step. I think he can overcome the post and win here. The barn is rolling well now also.

3 OVERTHINKENIT did a fine job from post 7 last race to finish 2nd and should be considered a top two from pp3.

6 MACHCELLERATOR makes a 2nd start back here and could be better today.

N Steward choice of 2, 5 or 9.

Race 7 Selections 3-5-8-1-6

3 SAULSBROOK PEACH won 11 times last year, but only twice in 2017. He was good in each of his last three races and has the gate speed to make good use of pp3.

5 REDONKULOUS was a solid 3rd in this class last race and has made nearly \$2,000 per start this year.

8 THE ROADIES has also been a strong earner this year and shows good speed, but the post does not help.

J Harris choice of 1 or 6.

Race 8 Selections 7-3-5-2

7 LARJON LACHLAN was able to win here in this class last race and that was from post 8. Note she parked past the quarter and yet won going away.

3 MACKTOWWILLDEW did not do all that well last race, but did race solidly in a number of previous starts. I am expecting a form reversal after that tough last start.

5 BET ON ART won at London last race and should have a good shot here at a top three.

Race 9 Selections 9-2-5-3

9 DREAM ON DREAM ON will get the call here in a race that I think is wide open. He can race from off the pace and the trailer post may not be a problem.

2 CAPITAL TRIP was not good at London last race, but very sharp in his previous 3. I think he stands a good chance at rebounding today.

5 DIAL A WIN has finished 3rd in three straight and compares here as one likely to possibly finish 3rd again.

Race 10 Selections 4-6-5-3-7

4 TOPVILLE CHEETAH beat this class two races ago. She was just so-so last race, but that was against the much tougher class above this one.

6 TOP ROYAL drops from the Pref 2 class. Note he beat that tougher level just 3 races ago.

5 SOLID QUEEN moves up off a win and She put up a big mile here two races, 2nd in 1:52-2.

J Harris choice of 2 or 6.
